Assignment 0501 Feedback

Stephen S. Smith

stephenscottsmith / crashprophet@gmail.com

- 1c* — Feedback on scene composition remains from before. (−)
- 2a* — Transform feedback is the same as before. (/)
- 2d* — You showed up for clipping and hidden surface removal! (+)
- 3a* — Interaction and animation remain unimplemented. (−)
- 3e* — Shaders remain unchanged. (−)
- 4a* — Feedback on code quality remains the same as before. (−)
- 4b* — Separation of concerns feedback is the same as before. (|)
- 4c* — Code formatting feedback is the same as before. (|)
- 4d* — Resource search and use remain deficient. (−)
- 4e* — No commits seen pertaining to this assignment. (−)
- 4f* — Some interaction submitted on 5/10/2014, but still just in HTML and pretty buggy. (/)
